

Ferham Primary School

24th September 2021

Uniform

After a fabulous start to the year, we have noticed a few children not in uniform this week. Uniform should be worn everyday. If it is PE day, please remember a white t-shirt or polo should be worn.

Wow writing!

Mrs Fenton had her first taste of what great writers our pupils are here at Ferham. Here is a snippet of the excellence from Miss Grimbley's SFA group.

Fawad: *Tangerine, a juvenile orangutan, fled to her safe haven - to the top of the tallest tree.*

Zafia: *The call of distress from his mother was like a warrior's cry in the war.*

Faiza: *Dismembered parts of the turtles lay on the golden beach.*

Zeeshan: *He scurried closer and lept.....fingers of electricity stoked his muscular body.*

Aamina: *The dilapidated gates opened to reveal the murderer.*

Keep up the great writing Ferham and we look forward to sharing more great work from across school.

Recommendation of the week!

This week Mrs Fenton is recommending 'The Woolly Bear Caterpillar', by Julia Donaldson and Yuval Zommer.

Imagine being an ugly caterpillar amongst the fair and fine. Think about what happened to the ugly duckling and I bet you can predict how this tale will end.

Gorgeous words and pictures for all ages.

Mrs Fenton will share if copy if you would like to read this.

Care Team Corner

This week in school we have been working on positive relationships in and out of school. Pupils have been discussing what makes a positive healthy relationship and how to identify one that is unhealthy. Pupils have also spoken about the potential dangers of making friends on the internet. E-safety is extremely important and as we now head into the Autumn and Winter we all spend more time on the internet due to the dark and cold nights. Please speak with your children and share the video's linked to the QR codes.
