

Ferham Primary School

11th February 2022

What's happening at Ferham and important information.

Another amazing week of learning in school. This week pupils have been learning about:

F2 have been using their 'Fred Fingers' as part of our new phonics programme to spell simple words. They have done a fantastic job!

The Y1 class have started learning to tell the time. The children are all really eager to show you how to tell the time to the hour and half past.

Following on from last week's special visitor, Y2 have discovered that the platypus eggs have hatched in Tasmania and we have been given the important job of writing instructions of how to care for a baby platypus. We watched a video of the babies hatching and it was amazing. The children are really excited to write their instructions and send them to Bill-a-bong-Bill.

Y3 have been working on how to write a postcard and discussing where they would go for their dream destination.

This week Y4 have been learning about the Yanomami tribe of the Amazon and finding fractions and quantities in maths.

Y5 have, in whole class reading, examined a report from South Asia which has examined their serious and complex problem with plastic pollution.

In science the Y6 class have been learning how animals adapt to their environments and designing new creatures who will survive in different conditions.

Uniform, Dinners and healthy schools.

A polite reminder that school uniform should be worn every day unless we have a special themed day or charity non-uniform day. If you choose not join in on those days, that's ok, but remember you must wear uniform instead. Uniform is white polo shirt, blue jumper and cardigan and dark trousers. Please do not wear hoodies or jeans.

For dinner money, payments should be made online by visiting www.schoolmoney.co.uk or alternatively at your nearest pay point location.

Please contact the school office for a barcode if you wish to pay in this way. £2.05 for one day's school dinner and £10.25 for a full school week's dinner. Before taking dinners, account should be in credit. If paying by pay point payment must be in their account no later than Wednesday each week.

Star of the Week

This week's star has been such an outstanding role model in school. We have many pupils who really have been showing a sensational attitude to learning and really supporting their peers in a wonderful sense of community.

One student who always demonstrates this and always shows the Ferham way is Zoya from Y4.

Zoya gives her all to everything she does, has a sensational attitude to learning and is wonderfully kind to everyone.

Well done, Zoya!! You're the star of the week!!

Attendance – 11th February

Remember to contact the school office on 01709 740962 if your child is too ill to attend. This week's attendance prize winner for 100% attendance is Leticia in Year 4.

- FS1: 75.3%
- FS2: 93.4%
- Year 1: 90%
- Year 2: 92.6%
- Year 3: 96%
- Year 4: 94.1%
- Year 5: 100%
- Year 6: 95.6%

Equipment

At our school we provide all pupils with equipment to play with at break times. We have music, dressing up, circus style skills, balls, reading and a whole host of other activities. Staff join in with playing at every break time. Please do not send your child in with equipment from home such as footballs or toys unless specifically asked by a member of staff.

We cannot replace or refund any lost or damaged equipment. So make sure your children save it for home to enjoy.

Have a wonderful, well-rested weekend!
