

Ferham Primary School

18th February 2022

What's happening at Ferham and important information.

As we come to the mid term break we want to share with you some of the fantastic learning that has been happening in school. This week in school;

The Year 1 pupils have focused on learning all about the different groups of animals: mammals, amphibians, reptiles, birds and fish. Ask your child to tell you what the characteristics of each group are.

Year 2 worked on their multiplication and division in maths. In PSHE we have been thinking about how we grow and change.

The Year 3 pupils this week have been looking at how the eye works and the names for all the parts of it.

This week in Year 4 have been adding and subtracting fractions. They've also created some amazing self-portraits, based on the work of Frida Kahlo.

The Mountain ranges in Asia have been studied by the Year 5 pupils, in particular the Himalayas and the highest mountain in the world. See if they can tell you what it's called.

In year 6 Pupils have been reciting poetry, when and how world war one ended and what natural selection is in science.

Uniform, Dinners and healthy schools.

A polite reminder that school uniform should be worn every day unless we have a special themed day or charity non-uniform day. If you choose not join in on those days, that's ok, but remember you must wear uniform instead. Uniform is white polo shirt, blue jumper and cardigan and dark trousers. Please do not wear hoodies or jeans.

For dinner money, payments should be made online by visiting www.schoolmoney.co.uk or alternatively at your nearest pay point location.

Please contact the school office for a barcode if you wish to pay in this way. £2.05 for one day's school dinner and £10.25 for a full school week's dinner. Before taking dinners, account should be in credit. If paying by pay point payment must be in their account no later than Wednesday each week.

Star of the Week

This week the Ferham Star of the Week goes to Aniq Y6!

Aniq is so dedicated to his learning it really is wonderful to see. He always demonstrates model pupil behaviour and shows endearing compassion towards his peers. Also he performed excellently in his tests over the past week with sensational scores.

Well done Aniq, you're a star!!

Attendance

Remember to contact the school office on 01709 740962 if your child is too ill to attend.

- FS1: 69.7%
- FS2: 86.8%
- Year 1: 89%
- Year 2: 93.9%
- Year 3: 97.1%
- Year 4: 95.3%
- Year 5: 92.4%
- Year 6: 94.3%

Punctuality is paramount!

The school gates open at 8.40am and close at 8.50am. If your child arrives at school after this time they're deemed late. It is very important for pupils to be in school on time. If they're persistently late for school it has detrimental effect on their learning.

It also has an effect on our kitchen staff. They prepare each meal in accordance with how many children are in school having lunch. Any child who arrives late to school after 10am will not receive an option for dinner. They will be allocated a meal in accordance with what the staff have prepared.

Please ensure your child arrives in full school uniform on time everyday unless you have exceptional circumstances.

Please stay safe and look after each other the next week whilst away from school. Come back ready and refreshed on Monday 28th February.
